

# Save the Date

Friday 27 August 2021

## 37th Annual Conference of the Banking & Financial Services Law Association

### Tectonic Shifts in Banking & Financial Services

The past decade has seen seismic changes in the way, and the environment in which, banks operate. Banks, and banking and insolvency lawyers, have had to grapple with an ever-increasing range of challenges arising from a rapidly changing regulatory landscape, navigating a global downturn, managing data, financing a sustainable future and surviving a pandemic. Save the date to hear some of the leading jurists, practitioners and academics from Australia, New Zealand and beyond discuss today's pressing issues and tomorrow's opportunities.
